99.99%+ PUREST GOLD (24K) AND SILVER

999.9+ (99.99%+) PUREST GOLD (24K) & SILVER

Every MMTC-PAMP gold coin that you buy goes through a rigorous refining process so that you get the purest piece of metal, always. We strive to go beyond 999.9 to give you 999.9+ (99.99%+) purity. While 999 fineness gold & silver is considered 99.9% pure, 995 fineness gold is at 99.5% purity. At MMTC PAMP, our minted gold and silver products surpass the 999.9+ (99.99%+) purity level.

POSITIVE WEIGHT TOLERANCE

MMTC-PAMP gives you the guarantee that each piece of Gold and Silver that you buy from us will weigh more than what is mentioned on the pack. Always.

FINEST SWISS CRAFTSMANSHIP

Intricate designs manufactured using the world's most advanced state-of-the-art Swiss technology. Unmatched craftsmanship makes MMTC-PAMP the Gold Standard of Gold. Our gold and silver coins epitomize the pinnacle of craftsmanship, ensuring timeless collectibility and the promise of enduring value for generations to come.

ASSURED BUYBACK

Get your old gold expertly evaluated and sell it back through MMTC-PAMP's transparent process with cutting-edge technology & software, guaranteeing the utmost accuracy in stating its true value without any loss of value which occurs in the traditional touchstone method.

LBMA ACCREDITED

MMTC-PAMP is India's only LBMA Accredited good delivery refinery for Gold & Silver. To be accepted onto the Good Delivery List refiners undergo stringent checks - History in the market, Financial standing, Ability to produce bars that meet LBMA's purity & weight standards levels of production which make our products globally tradable.

LOTUS GOLD BAR
1gm, 2gm, 5gm, 8gm, 10gm, 20gm
31.1gm, 50gm, 100gm

LOTUS[®]

This beautiful Lotus Bar is expertly minted on 24K 99.99%+ Purest Gold. It has a beautiful motif of the Lotus flower which is a symbol of purity, health, rebirth, and spiritual enlightenment. The unmistakably elegant shape of its petals, whether white or pink gives the flower its iconic form. Its associations with many divinities are renowned throughout the world. Lotus can be found in beautifully rendered iconography through the ages.

ROSE[®]

A symbol of love, subject of Shakespearean hyperbole, or quite simply the single most recalled motif for affection in the world; the rose is all of this and much more. To a younger generation, growing on staple diet of cinema and OTT shows, different colours of rose convey different emotions. For believers of Hindu mythology, Lord Vishnu, the supreme creator, made Goddess Lakshmi out of 108 large and 1,008 small rose petals. In Abrahamic religions like Christianity and Islam, significance of rose as the single most powerful symbol of love and affection remains unquestioned.

ROSE GOLD BAR 10gm

GODDESS LAKSHMITM

The Gold Bar respectively featuring Goddess Lakshmi is a timeless & sacred symbol of wealth, prosperity, and good fortune. The obverse side of the Gold Bar features an exquisitely detailed image of Goddess Lakshmi, who is revered as the symbol of wealth and prosperity. Crafted with the 24K 99.99%+ Purest Gold ensuring the highest level of quality & value. Each bar comes with a stamp of authenticity, guaranteeing its purity & craftsmanship. It also promises a positive weight tolerance, ensuring that every coin you purchase will weigh more than what is mentioned on the pack.

GODDESS LAKSHMI GOLD BAR 10gm

GODDESS LAKSHMI

Goddess Lakshmi gold coin venerated throughout India and around the world as generous divinities, worshipped for the prosperity, protection, wisdom, and guidance that they impart. As the divine incarnation of wealth, fortune, love, beauty, luxury and prosperity, Lakshmi is portrayed with her four arms that together represent Cosmic Omnipotence, as well as perfection and freedom from bondage or limitations.

PERSONALISED SILVER BAR

GOLD BUYBACK

Your gold is worth more than you think

Visit your nearest MMTC-PAMP Exclusive Brand Store

Our friendly and trained staff explains the entire process and informs about the gold buyback rate before melting the gold

Customer hands over the gold for authentication which is weighed in its original form

The gold is then melted and then weighed again. Post which, it is cooled and cleaned in deionized water

As the process is carried out, you can also view it live on a CCTV camera to ensure complete transparency

The gold is weighed on our authenticated scales and value is measured from industry best European XRF (X-Ray Fluorescence Technology) machines

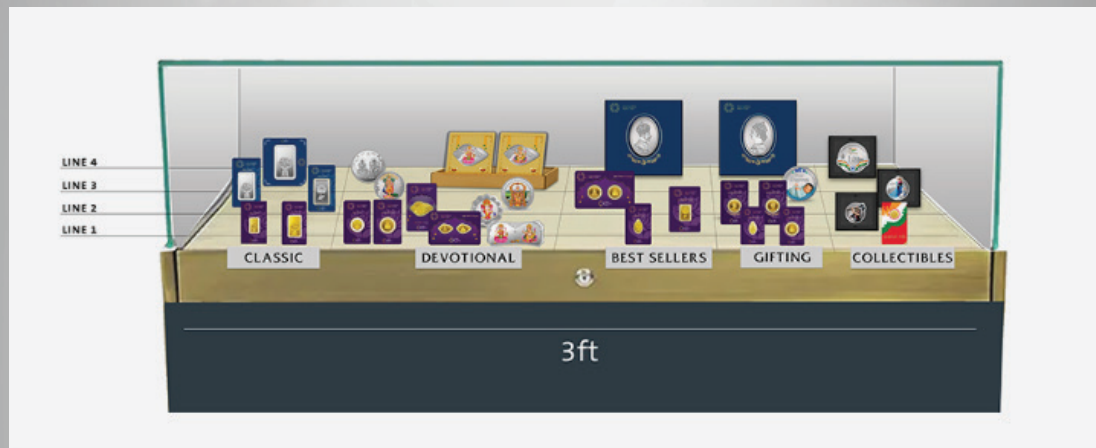

Customer gets a receipt that states the content of gold. The final reading displays the true, pure gold value, ensuring the maximum value of gold

Happily servicing our customers everyday at all our centres across India

Swiss Excellence. Made in India.

About MMTC-PAMP: A joint venture between Switzerland-based bullion refinery, PAMP SA, and MMTC Ltd, a Miniratna and Government of India Undertaking. MMTC-PAMP is the only LBMA-accredited gold & silver good delivery refiner in India and is accepted across global commodity exchanges and central banks. The company seamlessly marries Swiss excellence with Indian insights. MMTC-PAMP India Pvt. Ltd. is internationally recognized as an industry leader in bringing global standards of excellence to the Indian precious metals industry.

MMTC-PAMP has received several awards since its inception from local and global industry bodies for Refining, Brand and Sustainability. Also, MMTC-PAMP is India's First Precious Metals Company to have Science-based Emissions Reduction Targets Approved by the SBTi.

India's only precious metals facility accredited by the London Bullion Market Association for both gold and silver.
